

# Childcare Worker / Teaching Assistant (m/f/d)

Perhaps you are exactly the person who will enrich our team.

We are a small, bilingual Montessori parent-run childcare centre with 20 children in Munich.

What unites us is not only our passion for education, but also a shared conviction: we believe that children thrive when they feel seen, accepted and valued.

That is why our work begins with relationships—with the children, their families and one another as a team.

Every member of our team contributes their own strengths, ideas and passion projects. Whether your interests lie in nature, art, music, sport or Montessori education, we welcome people who want to share their enthusiasm with the children.

We support one another, regularly discuss the children's needs and adapt our daily activities flexibly according to what the group needs at any given time.

We are looking for a **teacher/childcare worker (m/f/d)**, or someone with a comparable qualification recognised in Germany, to join our team for **30 hours per week**.

You would be a good fit if you:

- enjoy working with children;
- speak English fluently or are a native English speaker;
- enjoy spending time outdoors;
- have an interest in physical activity and sport;
- are confident using computers;
- would like to contribute your own ideas; and
- enjoy working in a small, mutually supportive team.

We offer:

- a warm and welcoming team with plenty of scope to help shape our work;
- a close-knit, parent-run childcare centre with 20 children;
- international families and a bilingual environment;
- Montessori education, nature, art, music and movement as integral parts of everyday life;
- remuneration in accordance with the German public-sector collective agreement for social and educational services (TVöD SuE);
- professional development opportunities and dedicated pedagogical planning days.

If you are looking for more than just a job and want to work in a place where you are welcomed for who you are, we would be delighted to meet you.
